PROFESSIONAL SUMMARY

Computer Science graduate from Mansoura University and Frontend Developer focused on building responsive, accessible, and maintainable web applications with React 19, Next.js (App Router), TypeScript, and Tailwind CSS. Skilled in reusable component architecture, Arabic RTL interfaces, client-side state and data handling, API integration, and frontend testing.

TECHNICAL SKILLS

Frameworks & Languages: React 19, Next.js (App Router), TypeScript, JavaScript (ES6+), HTML5, CSS3, Tailwind CSS v4, CSS Modules, SASS, Bootstrap.
Frontend Architecture: Component-Based Architecture, Responsive & Mobile-First Design, Arabic RTL & Localization, Reusable Design Systems, React Hooks & State Management, Repository / Data Abstraction, Web Accessibility (WCAG), Core Web Vitals.
Data, Tools & Testing: REST APIs, GraphQL, Supabase, PostgreSQL, Git & GitHub, Vercel, Playwright, Vitest, React Testing Library, ESLint, TypeScript Strict Mode, Chrome DevTools.

SELECTED PROJECTS

MASAR | Arabic Government Services Guide
Tech: Next.js, React, TypeScript, Tailwind CSS, RTL **| Live:** masar-frontend-ten.vercel.app
- Built an Arabic-first, RTL citizen guide with service search, step-by-step procedure workflows, document checklists, and links to government sources.
- Implemented a repository abstraction layer for data access, loading and error states; improved semantic structure, metadata, and responsive mobile navigation.

FLOWDESK | AI Workflow Productivity Interface
Tech: React, Next.js, TypeScript, Tailwind CSS, UI/UX **| Live:** flow-desk-rho-ten.vercel.app
- Designed responsive workflow dashboard layouts using CSS Grid and Flexbox for desktop and mobile screens.
- Built reusable interactive UI states, micro-transitions, and keyboard-friendly navigation; applied TypeScript contracts to component props and data structures.

BUDGETLY | Smart Home Budget Management System | Graduation Project
Tech: Python, Machine Learning Integration, Data Analysis, User Flows
- Worked on data flows for recommendations based on household income and dietary preferences.
- Designed expense analytics, recurring payment alerts, and visual savings-goal tracking; received top evaluation honors from the Faculty of Computers and Information Sciences, Mansoura University.

EDUCATION

Bachelor's Degree in Computer Science | 2024
Faculty of Computers and Information Sciences, Mansoura University

LANGUAGES

Arabic: Intermediate **| English:** Intermediate

CERTIFICATIONS & PROFESSIONAL TRAINING

- **Frontend Engineering with React (Professional Frontend Track)** | Manara | 2025
- **Front End Web Development (HTML5, CSS3, JavaScript, Bootstrap, ReactJS)** | CCIC - Faculty of Computers & Information, Mansoura University | 2023
- **Comprehensive English Language - Phase 2 (Advanced Language & Communication Track)** | COURSSAT.com (The UK) | 2024
- **Comprehensive English Language - Phase 1 (Foundational Language Track)** | COURSSAT.com (The UK) | 2024
